Purchase Policies:

- **No returns; all sales are final.**
- **Canoes must be paid in full before leaving the shop.**

Once you submit your order, I will contact you to confirm your options, give you an estimated lead time, and give you a complete price quote. A 50% nonrefundable deposit is required to begin work on your canoe, with the remainder due before delivery or shipping. (It typically takes 3-6 weeks to assemble your canoe.) You may pay by check (preferred), or by credit card. New canoes are covered by a one-year warranty. Orders are not considered finalized until I receive your deposit. Failure to pay for a completed canoe within 45 days will result in your deposit being forfeit and your canoe being sold to another customer.

Delivery/ Shipping Options

Contact Nighthawk Canoes for the best shipping rates and options to your location. Canoes can be shipped anywhere in the continental US, by freight or specialty canoe carrier. Delivery range includes MN, WI, IN, IL, IA, MO, KY, TN and nearby areas.

* Paddles are available in EVEN numbered lengths, within the range provided.

Paddles ordered with a canoe: Paddles will be delivered/shipped at the same time as your canoe and require no extra shipping charges. You may write in the paddle order in the "Notes" section of your canoe order form in place of this form

Paddles ordered without a canoe: I will ship paddles to you for a flat \$10 charge, or you may save on your shipping by picking up your paddles directly from me. Paddles are generally delivered/available within 1 week of the order.
