Purchase Policies:

- **No returns; all sales are final.**
- **Canoes must be paid in full before leaving the shop.**

Once you submit your order, I will contact you to confirm your options, give you an estimated lead time, and give you a complete price quote. A \$1000 nonrefundable deposit is required to begin work on your canoe, with the remainder due before delivery or shipping. (It typically takes 3-6 weeks to assemble your canoe.) You may pay by check (preferred), or by credit card. New canoes are covered by a one-year warranty. Orders are not considered finalized until I receive your deposit. Failure to pay for a completed canoe within 45 days will result in your deposit being forfeit and your canoe being sold to another customer.
